

CALL FOR EXPRESSION OF INTEREST FOR VENDORS TO SUBMIT APPLICATION FOR THE SUPPLY OF PROJECT MATERIALS

Equity Watch Initiative [E-WIN] is a women led not-for-profit organization, established in Nigeria, out of the desire to empower women and girls especially those in rural communities through a wide range of services. E-WIN exists to champion gender-equitable development and promote the rights of women and girls in Nigeria. We generate evidence to promote gender equality and end all forms of gender-based violence (GBV) and abuse. We provide sexual and reproductive health information and counselling service to enhance sexual and reproductive health and rights. We Partner with government, community groups and the private sectors to foster an inclusive and secure society for sustainable development.

Objective:

The objective of this call is to get suitable and qualified vendors to supply quality and durable power generator set, motorcycle, sewing machines and T-shirts to the organization address at Prof. BIC Ijeomah Center for Sociological Studies, University of Nigeria, Nsukka for the implementation of E-WIN project in communities in Nsukka, Enugu North senatorial zone.

Background:

Executing community projects in rural/peri-urban communities in Nigeria presents a daunting task. This is because Nigeria's rural areas and peri-urban areas are characteristic of bad roads which are not motor-able. In the South-East geo-political zone in Nigeria where there is high rain fall, floods creates gully which makes it difficult to access some communities except with the help of motor bike. Also, power generation is still very low in Nigeria, and this affects organizational output during the periods of power outage. It is worthy to not that poverty and lack of capital to business start-ups is common in rural communities in Nigeria. E-WIN operates in this environment as is the case with perhaps other organizations in Nigeria.

Based on the above narration, E-WIN is inviting qualified vendors to submit their application for the supply of the under listed items.
